What Is Mom Prom?

A "Mom Prom" is a massive girls' night out – a chance for women 21 and older to get together and dance, eat, drink, talk, laugh, pose for pictures with their friends, relive some of their own glory days, and make new memories. It's also a fun way to support an important cause because all funds raised support the mission of Family & Children's Services including our youth services and pregnancy and post-pregnancy services. This really is a "Prom to Help Moms."
